About the Photog

1. A campus election creates genuine interest among the students. Young men and women who learn to take voting privileges seriously here make more competent citizens for state and nation later.
2. A scene from the Millsaps Players' performance of "Cyrano de Bergerac" is indicative of the quality of the plays chosen for presentation each year. Millsaps College offers opportunity for participation in extracurricular activities.
3. Students and their faculty adviser discuss matters of mutual concern in an informal atmosphere. The size of Millsaps College is conducive to ideal faculty-student relationships.
4. The tennis team climaxed a brilliant season by capturing the state co-championship. Athletics at Millsaps College are conducted on an amateur basis.
5. Homecoming at Millsaps College is one of the highlights of the year. Students work enthusiastically to prepare floats and campus decorations that show originality and beauty.
6. Prior to the Christmas holidays campus areas are assigned to various groups for decorating. Students take pride in adding beauty to the cam-

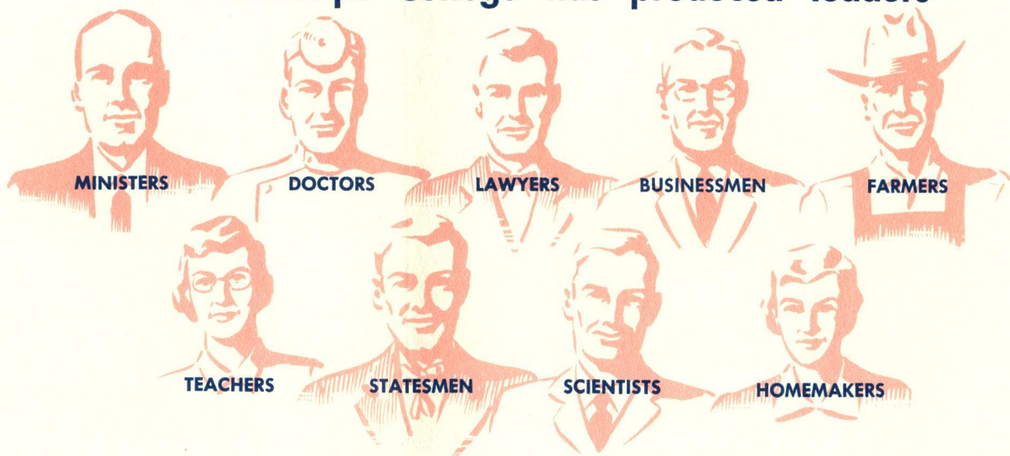
MILLSAPS COLLEGE BULLETIN

Millsaps College Bulletin, Vol. 40—March 1956—No. 7. Published by Millsaps College, monthly during the college year. Entered as 2nd class matter Nov. 21, 1917 at the post office in Jackson, Mississippi under the Act of August 24, 1912.

Millsaps College and the Past

for more than half a century

Millsaps College has produced leaders



More important than the number of professions is the **leadership ability.**

Millsaps College has produced informed and devout churchmen, able civic and community leaders, intelligent and responsible citizens.

And a further service is the leadership this college has given to other educational institutions.

Through all of these decades, this College has been known in Church and Academic circles as an educational institution of superior quality and worth. The name—Millsaps College—evokes commendation and praise literally all over the nation. Proud as is Millsaps College in "classic beauty"—proud as we are of the past—we are concerned about the present program and about future results.

We are concerned about the present program and about future results . . .

NEVER has there been such a need for:

★ trained ministers—
★ disciplined teachers—
★ devout physicians—
★ faithful farmers—
★ efficient engineers—
★ skilled statesmen—
★ consecrated businessmen—
★ dedicated scientists—
★ capable homemakers—

NEVER BEFORE has there been such a need for courageous and enlightened community leaders and able churchmen.

THE NEED FOR Millsaps College is as urgent today as it was 64 years ago when the college was chartered.

Millsaps College Belongs to the Methodists of Mississippi

It is confidently believed that when
Mississippi Methodists—
Millsaps College Alumni—
and other friends of Christian Higher Education see the needs, the opportunities, the challenge of the goals, they will join hands to provide the necessary means for accomplishing the task.

Millsaps College needs:

★ good students . . .
★ a good physical plant . . .
★ good equipment . . .
★ a superior factulty . . .

We have the good students and can get more.
We have a physical plant that is improving every year.
We can secure the minimum equipment.

OUR PRIMARY CONCERN IS THE HIGH QUALITY OF THE FACULTY

HERE IS OUR GOAL

We are eager to reach a salary schedule that will enable the college to—

compensate adequately the able instructors who are giving their lives to our Church College

hold within the faculty promising young instructors who continue to have opportunities elsewhere

replace faculty members who retire with instructors who are equipped to maintain Millsaps College's standard of quality.

Your gifts to Millsaps College perform several services—

They are responsible for ★ an improved salary schedule
★ a low tuition charge ★ additional scholarship opportunities
★ a more adequate physical plant

And with all this — friends of the college are contributing enormously to the educational opportunities and experiences of hundreds of young Mississippians.

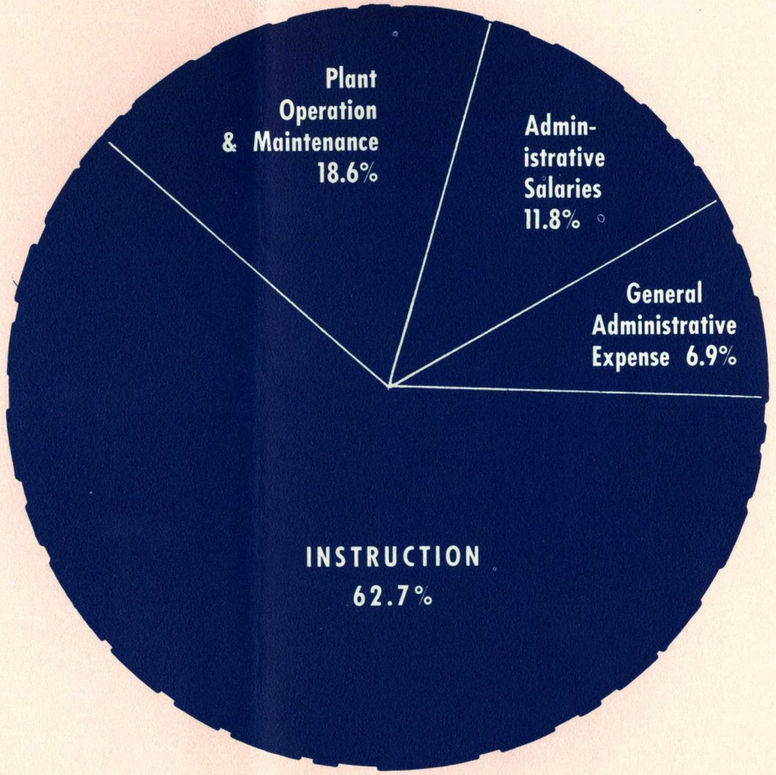
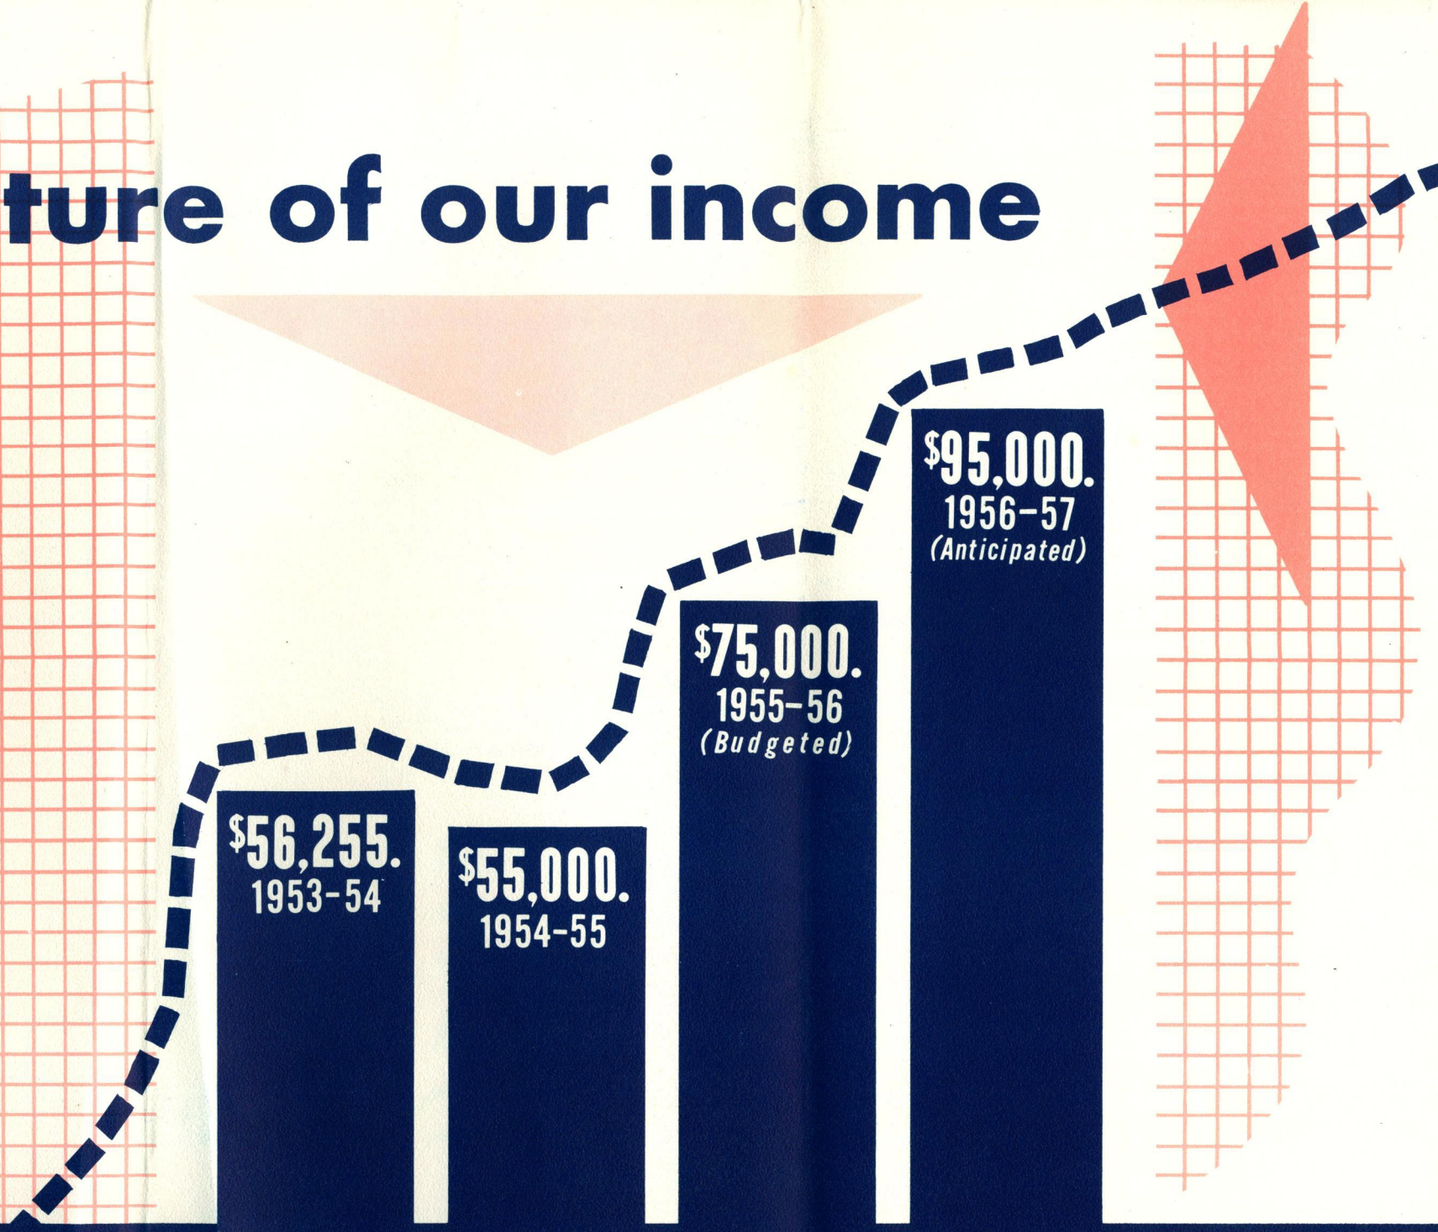
HOW WE SPEND IT (Expense Budget) 1955–1956



Here is a picture of our income



Both Annual Conferences Have Voted Unanimously That The College Be Supported With A Minimum of $1.00 Per Member Per Year . . .

A FIRST-RATE CHRISTIAN COLLEGE OUGHT TO BE WORTH THAT TO EVERY CHURCH MEMBER

About the Photog

1. Four of the most exciting years of his life are ahead of the Millsaps College freshman as he arrives on the campus. He will find that the journey to maturity can be a pleasant one.

2. Registration is one more step toward becoming a full-fledged student. Millsaps' size is conducive to ideal faculty-student relationships.

3. The President's Reception is one of a series of events designed to introduce new students to campus life. They meet faculty members on a social basis, preparing the way for better understanding on both sides.

4. No freshman is a true "Major" until he has seen the campus monuments. This Civil War cannon is one of many evidences of a rich, historical past.

5. Freshmen must carry out the whims of upperclassmen on Freshman Day. It's hard to say which group enjoys the day more!

6. Skill and ingenuity are apparent in the floats prepared for the big Homecoming parade. Students learn to work together on projects planned to benefit the entire College community.

7. The student learns that membership in organizations, such as the band, enriches his life. Here the band gives an open air concert.

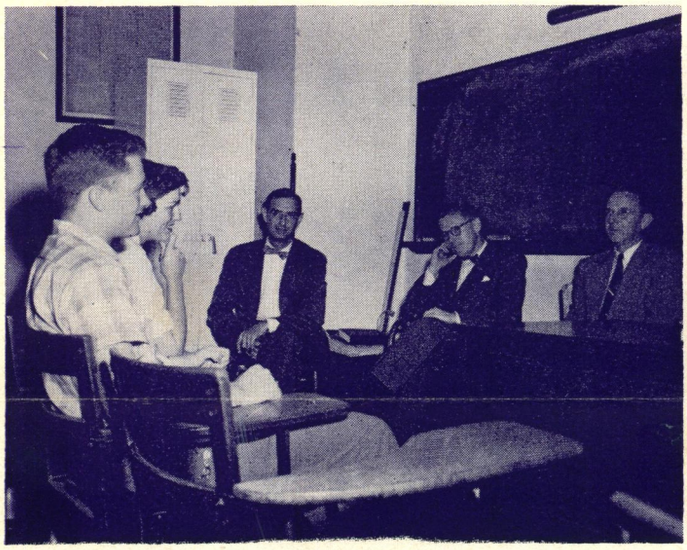
At Millsaps College



IN STUDY

Senior comprehensives cover work completed in the major subject. An oral exam is in progress. Adherence to high standards of scholarship assures the student of his money's worth in education.

IN WORSHIP

A denominational group discusses questions of vital importance. Student-led devotions followed the informal session. Faculty members committed to the Christian faith lead students in their quest for truth.

IN FELLOWSHIP

Here, an all-campus party gets under way in Buie Gymnasium. Because enrollment is limited, the student enjoys more opportunities for social development through close association with faculty and fellow students.

IN SERVICE

Millsaps music-makers perform for a worthy cause. Students are encouraged to develop a sense of responsibility and an awareness of the needs of others through participation in community affairs.
